REPORT OF THE BUILDING INSPECTOR

Permits for 9 buildings were issued in 1970. All of these were officially incomplete at the close of the year.

Occupancy permits for 2 buildings were issued in 1970 for buildings begun in the previous year.

All persons are urged to acquaint themselves with the zoning, subdivision, and building regulations before beginning construction.

Respectfully submitted,
JOHN P. HOPKINS
Building Inspector

REPORT OF THE CEMETERY COMMISSION

All three cemeteries have been charted. Results show that North Goshen, except for family lots, has no vacancies. A few remain at Goshen Corners, and there are 195 vacant lots at the Village Cemetery.

The Village Cemetery drive has been paved to prevent wash-outs.

The Cemetery Commission has adopted the following rules:

1. All lots must be purchased through the Commission treasurer at the cost of $25.00 per lot as voted in the 1967 town meeting.
2. Any agreement for particular lots made before 1967 will be honored, and deeds must be secured for same before November 1, 1971.
3. All lots must be paid for before burial.
4. Construction of retaining walls, etc., must be approved by the Commission before work is started.

It is the intent of the Commission to sell lots to bona fide residents, past or present.

REPORT OF THE FIRE DEPARTMENT

In 1970 the Fire Department answered nine (9) calls with 41 men responding. Total damage reported was less than $100.

With money earned by the Firemen through the annual auction, etc., a check for $1,000 has been turned over to the Selectmen for payment on the principal of the Fire House note. We have also been able to hot top the Fire House driveway. This is a permanent improvement to town property.

Some equipment has been added to the department this year. Six heavy coats and helmets and 300 ft. more of 1½ inch hose have been bought,. A fire department never has too much hose, and more will be purchased as our budget allows.

Once again I thank the men of the department, as well as the citizens of Goshen for the help and cooperation that makes the Fire Department effective.

Respectfully submitted,

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT FIRE CHIEF

During this past year, the public has shown a great deal of co-operation in the prevention of fires. We wish to express our thanks for a job well done.

Your forest fire warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires, a synopsis of these laws follow.

Fire Permits

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning (SUCH BURNING IS RESTRICTED BY REGULATION TO BE PRIOR TO 9:00 A. M. and AFTER 5:00 P. M.).

An Air Pollution regulation forbids the burning of household waste in towns where such rubbish is collected by the town.

Exceptions

Commercial or industrial burning is allowed under normal conditions with permission of the District Fire Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On anothers' property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

REMEMBER! ONLY YOU AND I CAN PREVENT FOREST FIRES

GOSHEN POLICE DEPARTMENT REPORT

1970 saw a year in which an ever increasing amount of crime, especially vandalism occurred. This was due partly to more stringent law enforcement in the local towns of Claremont, Newport, Sunapee and Newbury, the latter two now have full-time Officers and cruisers.

More specific examples of problems would include damage to various Town Buildings and private homes, to include broken windows and shots from pellet guns; seventeen grave stones in the cemeteries damaged or tipped over; evidence of drug abuse and a heavier traffic flow.

Accordingly, the Selectmen contacted and authorized Benjamin Thompson, Jr. of the Area III Law Enforcement Planning Council to survey the Town for present and future police needs. He headed a committee of three who visited Goshen and subsequently sent a detailed report, copies of which are kept on file.

Further evidence of the increased problems is clearly shown by the statistics in the following table, which summarizes three dfferent years.

REPORT OF THE SECRETARY
OLIVE G. PETTIS LIBRARY, 1970

The monthly trustees meetings were well attended and trustees and librarian attended book buying meetings and Advisory Council meetings.

Mrs. Yurgeles resignation as librarian was accepted with regret in August, we were most fortunate to acquire the services of Mrs. Edward LeClair to replace her.

The work on the back room was started by Mr. McCollough, by the time this is read should be completed.

We received from the state $100.00 to be used for reference books, a subscription to "Wild Life" from Mrs. Harold Sweet, one from Miss Margaret Hunter to the "Alliance Witness", a donation of art books from Mrs. Allan Dingwall in memory of Mrs. Emerson Lewis and Mrs. Robert Kernan, gift of printed checks from an anonymous donor, money from Miss Helen Toussaint, money from the Friends of the Library and the flower boxes were filled again in memory of Mrs. Erica Wex by Mrs. Kerwin Purnell, Mrs. John Bagnasco and Mrs. Ralph Sinclair.

In the spring we were notified that according to state law the librarian must be paid $1.60 an hour, retroactive to February 1969. Thanks to the Friends of the Library we were able to give Mrs. Currier and Mrs. Yurgeles the back pay due them. This means an increase of $200.00 a year for the librarian.

Mrs. Kay Crosby, a state library consultant, spent two days with Mrs. LeClair classifying books.

The fair sponsored by the Friends of the Library again was a great success and thanks are due to all who contributed time, books, food, plants and white elephants and patronized the fair.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Goshen-Lempster Cooperative School District:

ENROLLMENT

The present number of students totals 115 — broken down by grades as follows:

Grade 1	13
Grade 2	17
Grade 3	16
Grade 4	11
Grade 5	14
Grade 6	13
Grade 7	11
Grade 8	20

Fifty-eight students are attending area high schools: 1 at Sunapee, 1 at Claremont, 1 at Keene, and 55 at Newport.

A five-year tuition survey may be of interest:

High School	1966-67	1967-68	1968-69	1969-70	1970-71
Claremont	4	3	5	3	1
Newport	42	44	42	53	55
Sunapee	2	3	1	1	1
Keene					1

A projected tuition count of 64 in 1971-72 (an increase of 6) coupled with higher tuition charges in area schools has caused a sizeable jump in the Budget.

MINIMUM STANDARDS

By action of the State Board of Education "September 1, 1972 is the effective date for schools to begin implementation of Minimum Standards and Recommendations for New Hampshire Elementary Schools for School Approval."

In order to comply, Goshen-Lempster would need to add services in:

1. Art
2. Guidance Counseling
3. Librarian
4. Physical Education

It is assumed that schools with small enrollments will join with other schools in sharing these specialized services. Next year we will be asked to provide a plan as to how and when compliance with the Elementary Standards will be met. School personnel have been working with the School Board to arrive at an appropriate course of action.

STAFF

There are two changes in the teaching staff this year. Mrs. Doris Newman, an experienced teacher, replaced Mrs. Sharon Otterson in the primary room. Mrs. Ethel Jarvis replaced Mrs. Hester Morrissey, who retired, in the Grade 4 and 5 position. Both have provided a satisfactory addition to the entire staff which is working together as a unit in a well-coordinated teaching effort.

The Custodian, Lunch Operator, and Bus Operators continue to perform their duties so efficiently that their efforts often go unnoticed. We are grateful to all of them for their part in a smooth-working operation.

Respectfully submitted,

GORDON B. FLINT
Superintendent of Schools

REPORT OF HEAD TEACHER

Although a busy and fruitful year, 1970 began on a sad note with the death of School Board member Mrs. Dorothy Lewis in January.

In March, the 8th grade made a science field trip to the Hanover Museum where lectures and exhibits focused on fissilization and the geology of the earth.

The P. T. A. arrived at the April meeting to find themselves guests of the 6th and 7th grades in a "World's Fair". Students arranged booths, came dressed, and offered foods from all over the world.

The 8th grade, not to be outdone, presented the May P. T. A. meeting with a Science Fair complete with homemade cameras, generators, printing presses, radios, and a rocket that blasted out of sight and is yet to be found.

Mrs. Buck arranged a Rubella Innoculation Clinic in April for 1st and 7th graders.

The Parent's Club again sponsored their Dental Clinic with Miss Bradeen serving as teacher-coordinator and many parents cooperating in providing transportation to the Claremont office of Dr. Houlihan.

On May 19th, the 8th grade made their annual trip to Newport High School under the auspices of Mr. Williams, Guidance Director.

On June 5th, the graduating class made their class trip to the Boston Museum of Science and Canobie Lake Amusement Park.

Graduation was held on the 16th of June with the Reverend Robert Lawthers as guest speaker. Beautiful flowers were donated by the Campbell's to match the class colors of purple and gold. Class Salutorian, Brian Wright, and Valedictorian, Richard Baker, gave interesting talks on the theme "Knowledge Is Freedom," which the class picked as their motto. Mrs. Bruno ably directed the musical program.

This Fall saw the addition of three new members to our staff. Mrs. Ethel Jarvis, replaces Mrs. Hester Morrissey in grades 4 and 5 who retired after many years of service to Goshen and Lempster. Mrs. Doris Newman replaces Mrs. Sharon Otterson in grade 1 who has moved on to Hillsborough. We were fortunate to reinstate music with the hiring of Mrs. Mary Ann Thomas on a one-day-a-week basis.

We round out our staff with the return of Miss Jan Bradeen in grades 2 and 3, Mr. James Russell teaching Social Studies and Science in grades 6, 7, and 8, and Mrs. Irene Cain teaching English

and Math in grades 6, 7, and 8. Mrs. Elizabeth Barrett has also returned 3 days a week to continue the special reading classes. Mr. Alphonse Soucy is coordinator for this E.S.E.A. Title I Program as well as Teacher Consultant to all the teacheres in the school.

We are also grateful for the privately financed kindergarten run by Mrs. Winnifred Towne.

To those whose daily efforts make our school a happier, cleaner, and safer place, we here express our thanks. Mrs. John Hooper's meals are equally nutritious and delicious. Mrs. Charles Newton keeps our school perpetually neat and clean, and Mr. and Mrs. Wilber Campbell have brought the students to and from school safely and promptly,

We finally thank the members of the School Board, Superintendent Gordon B. Flint, Assistant Superintendent John H. Sokul, Teacher Consultant A. J. Soucy, our School Nurse Mrs. June Buck, and all the parents and friends of the school whose cooperation and interest help make the school an interesting and exciting place in which to teach.

Respectfully submitted,

JAMES F. RUSSELL
Head Teacher
